

TLCS May 2014 Newsletter

Class news: The Kindergarten class is growing a spring garden which contains carrots, radishes, 2 kinds of lettuce, and sunflowers. Hummingbirds drinking from the feeder outside the Kindergarten classroom provide entertainment and informational opportunities. Painted-Lady caterpillars have arrived and they are almost ready to make their chrysalides. Young students are having fun watching the weather and making forecasting predictions.

Spaces available: TLCS eagerly anticipates academically motivated students to enroll in the following grades for the 2014-15 school year: Grades K-5 and Grades 8, 9 and 12 each have limited openings for next year. Please send or bring an enrollment form for the June 5th lottery.

End of year payments: Final lunch and athletics fees along with any charges for damaged texts, lost library books, lost/damaged sports equipment, etc. need to be paid prior to the last day of school, June 12th. Though we wish for amiable arrangements for any fees charged, district policy allows for the school to withhold Grade Reports and final transcripts until fees are paid.
