Registration event: Wednesday, August 27th TLCS will host a Registration Event. From noon to 6:00 p.m. middle and high school students may come and get their schedule, pay fees, fill out forms and talk to staff. Elementary students and parents may come meet their teacher and visit the campus.

Schedule: Four Day Week & Time Schedule

Following the model used in recent years, Triangle Lake Charter School will operate on a four day school week—normally Monday through Thursday, 8:00 a.m. to 3:25 p.m. ***There are some Fridays school will be in session when a closure day has occurred earlier in the week, as in Friday, September 5th—the first week of school.*** Please refer to the district calendar (enclosed and also on the Blachly School District website) for clarification on specific days.

Meals: Triangle Lake Charter School offers both breakfast and lunch for students.

1. Our **Breakfast in the Classroom** Program makes a **free** healthy breakfast available to all students each school day. Nutritious **lunches** are also available each school day (see fee chart for prices).
2. The Federal **Fresh Fruit and Vegetable Program** makes a fresh fruit or vegetable item available to K-8th Grade students in their classroom each day. This free program was met with such success that TLCS funds a daily fruit or vegetable for high school students also.
3. Hard copies of the Free and Reduced lunch application are available in the school office. You may apply for free/reduced lunches online at: <https://district.ode.state.or.us/apps/frlapp/default.aspx> or on the district website www.blachly.k12.or.us
Students must return a **new** Free/Reduced Lunch application each school year. ***If you are notified by the school that your child is eligible, you do not need to complete a free/reduced lunch application.***

School and sports physicals: Students attending TLCS need a physical examination for the following situations:

1. General Physical Exams are required of incoming Kindergarten and Seventh Grade students. Additionally, immunization requirements change periodically for Kindergarten and Seventh Grade students, making it wise to check with your physician about any needed boosters. The Lane County Health Department provides weekly immunization clinics. Please call them to obtain information about times and days at (541) 682-4041.

2. **Athletes** Middle and High School athletes need proof of a current sports physical examination. "Current" for Middle and High School students is defined as one exam every two years.

There are many options available for obtaining sports physicals. One such option exists on Wednesday, August 13th when Dr. Shane Goforth, Chiropractor, will provide a sports physical clinic at from 10:00 a.m. to 4:00 p.m. in the TLCS Library. The cost for this service is \$20.00. Drop in's welcome. 541-935-2242.

Sports Physical forms are available at the school office and on the school website.

Athletics Practices: High School Volleyball and Football will begin practices on **Monday, August 18th**. Information regarding **time will be available from the coaches**. Middle School Volleyball and football will begin practice the first week of school. Further information will be available that same week.

Bus Schedule: The bus schedule is included in this packet and is attached to the school website, www.blachly.k12.or.us
