**NOTICE OF VACANCY**  
**October 23, 2018**

POSITION AVAILABLE: School Bus Driver, Full-time remainder of 2018-2019  
Home to School routes, and Activity Bus  
Times are 6:15-8:15 a.m. & 3:15 p.m. until end of routes

The Blachly School District announces an exciting full-time opportunity for a personable, experienced, professional driver who is an excellent communicator.

Triangle Lake Charter School has begun serving its families with an activity bus in the late afternoons and evenings. This route includes traditional morning and afternoon home to school routes for the 150 student contact days during the year. It also includes activity bus routes which run when needed upon return from the afternoon after-school route.

The activity bus is a new service for 2018-2019. It runs dependent on the needs of students and families, and has operated almost every day this year. In the fall there are usually two routes. In the winter we anticipate at least two routes, possibly three. In the spring it is likely there will be one route.

Because the activity bus driving is need dependent and the time driving will vary from day to day, and because we anticipate the hours will average in excess of 28 per week, a full health insurance stipend is part of the compensation package.

Strong communication skills will be a characteristic of the successful applicant. Ongoing relationships with the families we serve will be important as we refine the evening activity bus service. Close communication with administration and the transportation coordinator will be essential as fine-tuning will continue throughout the year.
