

BLACHLY SCHOOL DISTRICT #90
Triangle Lake Charter School K- 12
"A community is known by the schools it keeps"
Superintendent: Adam Watkins

August 26, 2020

Dear TLCS Families:

Welcome to another fantastic year at Triangle Lake Charter School! We are excited to get the year started, and get back to learning. While we understand this year will look unlike any we've seen before, we want you to know that our staff is hard at work preparing and planning to provide the best possible educational experience for each student.

We understand there are a lot of questions about what this year will look like, and hope to provide as many answers as possible in this packet. Included in this mailing are:

- 2020-2021 CDL Q&A – details about what Comprehensive Distance Learning will look like
- Student Schedule – this provides an overview of what key events will happen during CDL and how that compares to our on-site schedule
- 2020-2021 School Year Calendar (please note that the calendar was updated on 8/12/2020)
- Notice of Title IX Coordinator (annual notification per state law)
- Free/Reduced Lunch application information

Upcoming key dates/details:

- The first day of school for students in Monday September 14th
- Kindergarten will start on a staggered schedule. Half of the students will start on 9/14, the other half on 9/15, and then the whole class on 9/16
- All students (K-12) will be starting the year in a Comprehensive Distance Learning model. We will remain in CDL through the end of Term 1 (November 12).
- We will bring students back on campus in a hybrid model if/when the metrics outlined by Oregon Department of Education allow, and it is safe for our staff and students. A determination will be made at the 7-week mark of each term for the following term.

If you have elected the TLCS Online option, we will be reaching out to you soon with additional details about that program.

Please reach out to the office to update any contact information (changes in address, phone number, email address), and to submit updated immunization records as necessary.

We are looking forward to an awesome year! As always, please reach out if you have questions.

Best,

Rilke Klingsporn
Principal
Special Education Director
