January 28, 2021

TLCS Families:

We are moving forward with our plans to bring students back onto campus for in-person learning, beginning with our youngest students and phasing upwards.

**Next week, February 1<sup>st</sup>-4<sup>th</sup>, there will be no school for students in kindergarten, 1<sup>st</sup>, and 2<sup>nd</sup> grades.** Teachers and staff will be preparing and setting up physical spaces, and putting safety protocols into place, to begin welcoming students back onto campus.

Students in grades 3 through 12 will continue to receive instruction next week through Comprehensive Distance Learning, and February 1<sup>st</sup>-4<sup>th</sup> will be regular school days.

We will be sending more specific details to families (with grade level information) next week, but here is an overview of the phased in plan for bringing students back onto campus:

- Feb. 1-4: No school for grades K/1/2. CDL for grades 3-12
- Feb. 8-11: K/1/2 students have an orientation day on campus. No school for grade 6
- Feb. 15-18: K/1/2 students begin on-campus. No school for grades 3/4/5
- Feb. 22-25: Grades 3/4/5/6 have an orientation day on campus
- March 2-4: Grades 3/4/5/6 start (staggered start)

Middle and high school students will phase in after K-6 have returned, and the metrics allow. We will be developing and sharing those specific details with projected goal dates as we move forward.

We will also be working to increase Limited In-Person Instruction (LIPI) opportunities for middle and high school students until we can bring them onto campus when the metrics allow.

Families who have elected to keep their elementary students in CDL for the year, or to return at a later date will be able to continue working with their grade level teachers. More information about how this will look will be shared soon.

Sincerely,

Adam Watkins  
Superintendent
