TLCS Families,

As you are aware, Governor Brown issued an Executive Order on March 12, 2021 ordering all Oregon schools to open to in-person instruction for all students. Governor Brown and ODE shared that families could continue to choose Comprehensive Distance Learning (CDL) for the remainder of the 2020-21 school year.

This being said, we were already meeting the requirements outlined in the Executive Order with our district roll-out plan for students to return to in-person instruction. **For families that will be choosing CDL for the remainder of the 2020-21 school year, these students will be moved fully to our TLCS Online Program for Term 4, beginning April 19, 2021.**

Starting March 29, 2021 when we return from spring break, our staff will be contacting those families that have indicated their desire to remain in CDL and start the enrollment process for those Term 4 classes. For families that decide that they would prefer to return to in-person instruction, that decision can be shared with staff at the time of contact. **Either decision will be for the duration of Term 4 (through the end of the school year).**

Additionally, now that a majority of students are back in in-person instruction we needed to adjust our meal delivery for students in our hybrid model for learning at home, as well as students remaining in CDL. All families, including students in CDL, homeschool or in-person instruction may choose to pick up their meals for the week on Monday's 12:30-1:00pm in front of the main gym on campus. Students that are coming for in-person instruction and in a hybrid model, will have the option to take their meals home with them for the week either Monday or Tuesday afternoon. We would love to be able to continue to deliver meals to families at bus stop locations, but unfortunately do not have the staffing to continue to provide that service.

Finally, there will be no meal distribution during Spring Break due to the school being closed for the week. Meals will resume March 29, 2021.

We hope all of you are safe and well!

GO LAKERS!
